STEP 5:

You'll see a Notes section at the bottom of this page.

If you are paying for something other than “FPC Murray Pledges & Offerings Fund”, PLEASE fill in this section so we know what your payments are for. It’s similar to the “Memo” section on a check.

For example, if you are paying a deposit to the Choir Intern Fund, or to the Christian Education Fund, write that in the Notes section so that your funds can be distributed accordingly.

Here you also have the option for creating a Log In. Having a Log In will allow the system to retain your payment information, making this process much quicker. If you would like to create a Log In, click “Select Password” and follow the prompts. However, it is not mandatory to create a Log In.

Once everything is all filled in, click “Process” and you are done! You’ll immediately receive an email with your receipt.
